

The maze contains several obstacles and landmarks:

- Obstacles:** A black car at the top left; two yellow barrels near the center; a wooden bridge in the lower center; a small brown house-like structure on the right; and a large tree on the far right.
- Numbered Red Squares (1-14):** These are placed throughout the maze, likely marking specific locations or goals.
- Central Area:** A blue circular path leads to a central orange circle labeled "OR".
- Start and Finish:** A red arrow points from "START" to the right, and another red arrow points left towards "FINISH".
